

Enjoy this video as we'll lead you through a few warm-ups and exercises to get you and your child moving, such as hand-eye coordination and racquet skills. Have fun with it!

Dear ACEing Autism Community,

We hope 2023 is treating you well so far. This year is off to a very strong start and we can't wait to share everything with you.

Our Spring session is in full swing with eight new programs along with our returning ones. To see all our locations, [CLICK HERE](#). As we continue to reach more schools to increase our impact on children like yours, your help could make a difference. If you or someone you know are aware of any public or private schools interested in a program like ours, let us know [HERE](#) or feel free to introduce us to a school administrator.

In case you missed it, check out how ACEing Autism was recently featured on the Dr. Phil Show below. It's something we attribute to your loyalty and trust! Scroll down for more inspirational stories as told by athletes and families like yours. We want to encourage you to share your story with us or nominate someone by filling out [THIS SHORT FORM](#).

Don't forget to check out the 2022 ACEing Autism Award winners below! Find out who won Program of the Year, who made the Honor Roll, and more.
